

# T10

---

**100% Wire-Free Water Leak Detector (must be paired with the A1)**

The reliable and durable T10 keeps your home safe from water damage.

## Waterproof and dustproof

The T10 has an IP67 rating, making it secure and reliable. It still works for 2 hours in 1 meter of water.

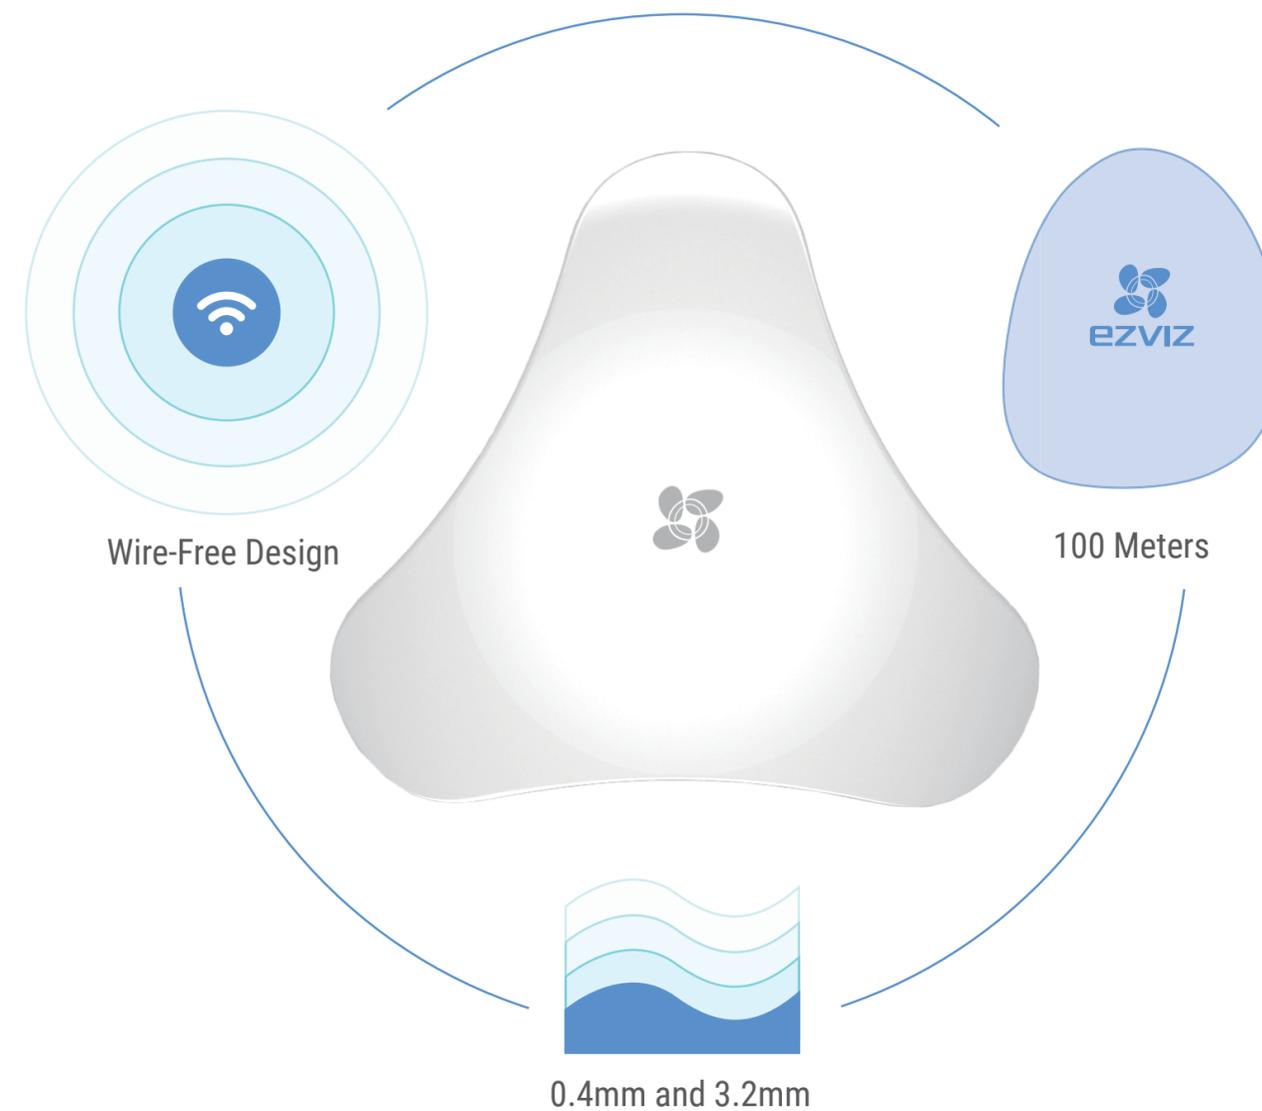

## Low power consumption design

With a low power consumption design, the battery can last up to 2 years.

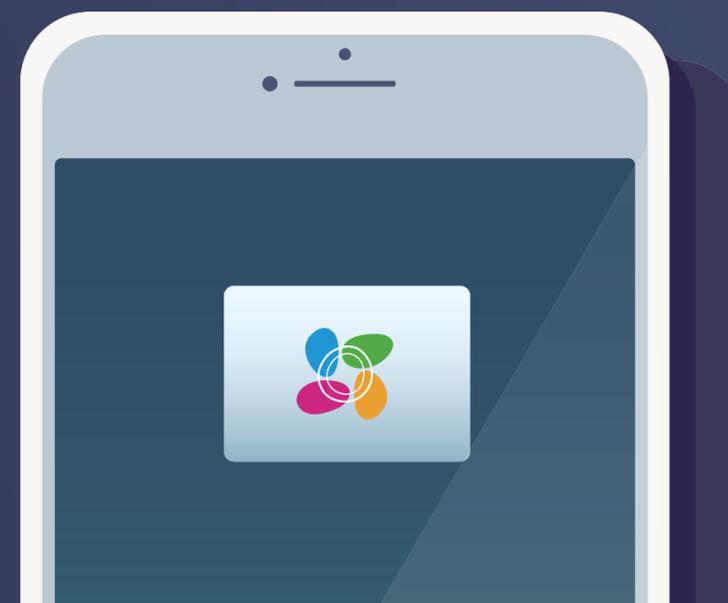

## Install anywhere

A 100% wire-free design means you can install it wherever you need (the A1 and T10 can communicate up to 100 meters away without obstacles). You can also adjust the water level sensitivity to between 0.4mm and 3.2mm.

## Instant alerts

Whenever the T10 is triggered, the A1 sends an instant alert to the app on your smartphone.

# Integrated Solution

The A1 can be connected to your EZVIZ cameras.  
When the T10 is triggered, the camera instantly starts recording images and video.

# Control via the EZVIZ App

With the EZVIZ App, you can remotely control the A1 and all devices connected to it even when you are away from home.

# Specifications

Model CS-T10-A

Name ezSensor Water

## General

Working Frequency	According to regulations: Euro version 868MHz/ Asia verison 433MHz/ US version 915MHz
Battery Type	CR123A
Battery Capacity	1400mAh
Power Voltage	3V
Battery Life	2 Years
Product Dimensions	103.4 x 31.4mm
Packaging Dimensions	103 x 86 x 38mm
Weight	97g
IP Rating	IP67

# Certificates

- CE/RoHS/REACH/WEEE

# Requirements

- Operating Conditions: -10°C ~ 55°C, Humidity 0-100%
