# A1

Internet Alarm Hub

A Wi-Fi security hub that works seamlessly with EZVIZ alarm devices and Wi-Fi cameras to protect your home.

Easy installation

Connect the A1 to Wi-Fi, follow the voice guidance to add your devices, and you are good to go!

Integrated solution

The A1 supports EZVIZ's alarm devices and Wi-Fi cameras, delivering a more connected home experience.

Voice prompts

The A1's voice prompts can guide you through the steps to add devices and also send a voice alert in case of an emergency.
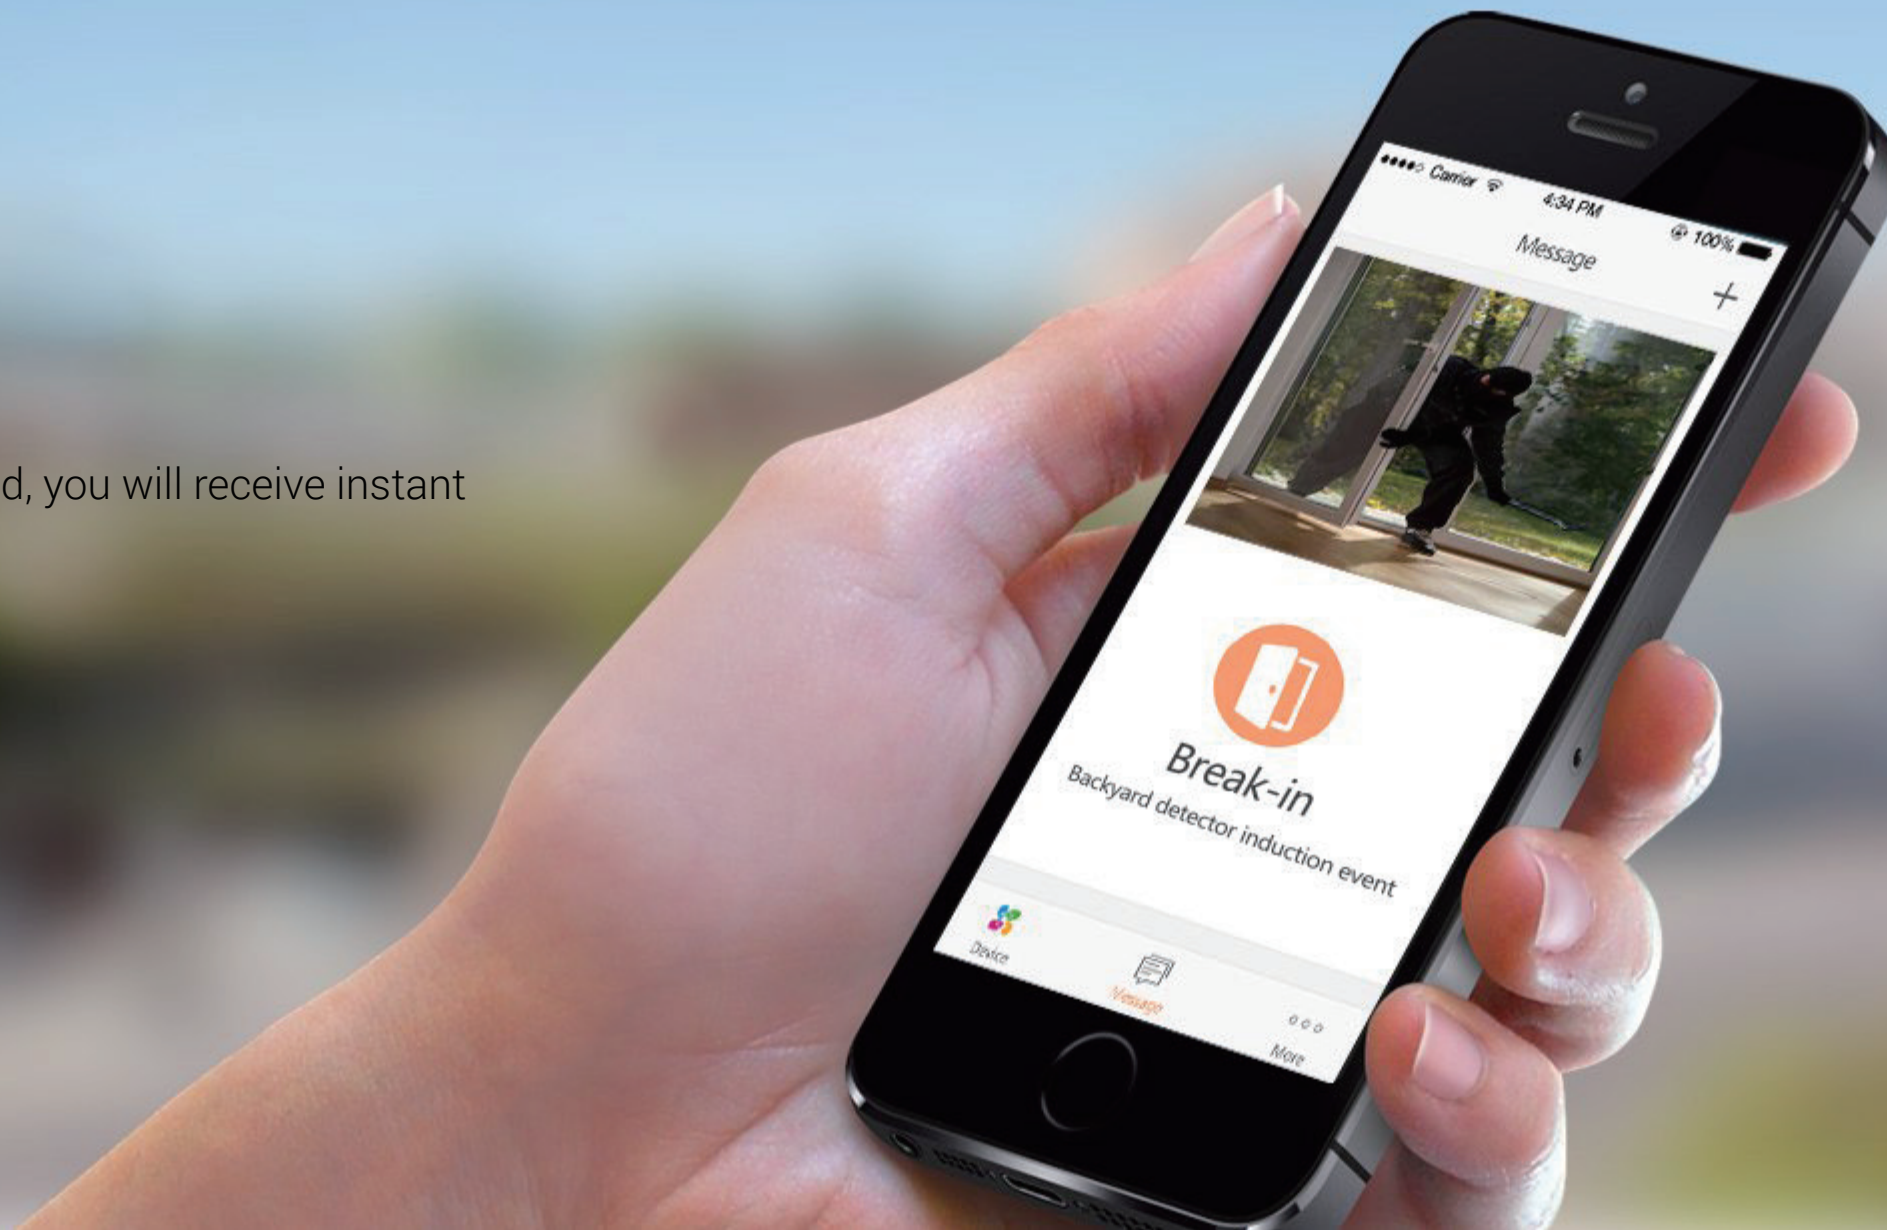

Control via the EZVIZ app

With the EZVIZ App, you can remotely control the A1 and all devices connected to it even when you are away from home.
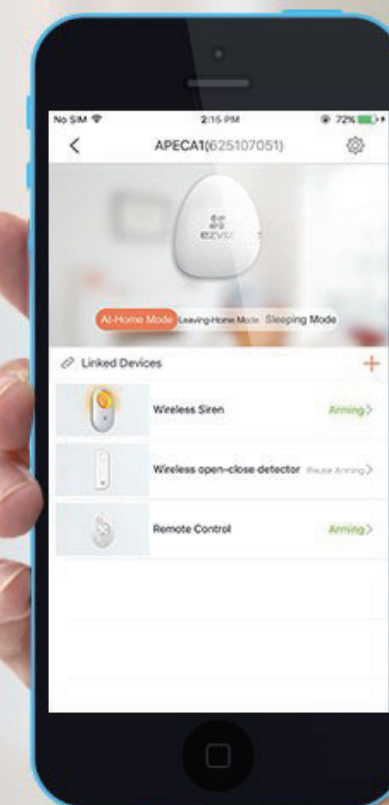

Instant alerts

Whenever the sensors are triggered, you will receive instant notifications on your phone.

Multiple modes

Tell the A1 whether you're home, out or sleeping via the K2 and the EZVIZ App.
